EQUIPPING THE FAMILY, SAFEGUARDING CHILDREN

One of the most unpleasant effects of the Covid 19 pandemic was the disconnection that was created among communities and families. The social distancing, working from home, school classes online, etc., all contributed to a sense of isolation which, in turn, often led to anxiety and/or depression.

The reason this sense of disconnection has had such a profound impact, is because of the fact, that our faith tells us that we are not made for isolation, but rather, we are made for connection. As scripture tells us in the creation story, when God created Adam, God declared "it is not good for man to be alone." As a result, God created Eve to be a "suitable partner" for the man. This means that we are made for connection.

In addition, scripture tells us that we are made in "the image and likeness of God." God himself is a community of persons, Father, Son and Holy Spirit, bound together by love. The human family reflects that Trinitarian community. Husbands love their wives, wives love their husbands and their love bears fruit in the creation and care of children.

The pandemic has also increased isolation by exacerbating another powerful source of disconnection, namely, pornography. The disconnection and isolation created by the pandemic has increased the risk of exposure to pornography and the possible risk of seeking out pornography for ongoing use.

The use of pornography can increase the disconnection within the family since it leads to shame which results in further isolation, especially among children.

In response to this threat, as we have done for the past two years, our Diocese designated the second weekend in Lent as "Safe Haven Sunday." The goal is to raise awareness about the dangers of pornography, especially among children, and to offer resources to combat it in order to make our homes a "safe haven" from this menace.

What the experts tell us is that one of the most powerful tools for combating pornography in our homes is to strengthen the connections within the family.

To offer some insights into strengthening those family connections, our Diocese and parish have made resources available through [cleanheart.online](https://www.cleanheart.online).

In last week's Gospel account of the Transfiguration, Christ gave us a glimpse of the glory that awaits him after his Passion, Death, and Resurrection.

In the second reading last week from the letter to the Philippians, Saint Paul made the startling statement that the same glory awaits our bodies when he says, "Christ will change our lowly body to conform with His glorified body."

With that hope in mind, we can reclaim our bodies as a means of healthy connection, especially within our families.

[cleanheart.online](https://www.cleanheart.online)

The logo for "Safe Haven Sunday" features the words "Safe", "Haven", and "Sunday" stacked vertically in a bold, blue, sans-serif font. The text is set against a white background with a blue decorative shape at the bottom left corner.

THE LIGHT IS ON FOR YOU! SACRAMENT OF RECONCILIATION

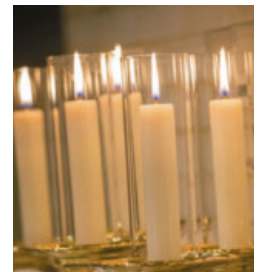

"Come back to me with all your heart. Don't let fear keep us apart" says God through the prophet Hosea. As Catholics, we are given the opportunity to heed God's call by readying ourselves for the Lord's Passion during this Lenten season through the Sacrament of Reconciliation.

Our Lady of Mercy offers this special opportunity to receive the Sacrament of Reconciliation through "The Light Is On For You."

Start with an examination of conscience, recalling your sins and prayerfully asking yourself what you have done with full knowledge and full consent against God's Commandments.

Opportunities for the Sacrament of Reconciliation at Our Lady of Mercy are on Wednesdays from **6:00 pm - 7:30 pm on:**

- MARCH 23**
- MARCH 30**
- APRIL 6**

THIS YEAR FOR LENT, OUR PARISH IS ADOPTING - THE WOMAN'S NEW LIFE CLINIC

WOMAN'S
NEW LIFE CLINIC

— *Serving Women Since 2001* —

Woman's New Life Clinic's mission is to promote the sanctity of life, the dignity of women, and the sacredness of sexuality through medical and mental health services. The Clinic is empowering women to choose life.

Since their start in 2001, they've saved over 2,553 lives from abortion. WNLC offers free professional counseling, pregnancy tests, ultrasounds, and case management to women in unplanned pregnancies. They also offer professional post-abortion counseling, pregnancy loss counseling, ALL FREE OF CHARGE.

In addition to these services for women in unplanned pregnancies, Woman's New Life Clinic has launched new programs, allowing them to compete with Planned Parenthood, such as family planning instruction. Woman's New Life Clinic operates strictly through private donations from people like you. Donating to Woman's New Life Clinic is something tangible that each and every one of us can do in the fight for life.

We are challenging each family in our parish to donate \$20 or more to this life-saving campaign. Though you may not be able to be on the front-lines of this battle, your participation enables their staff to be there, because without YOU, Woman's New Life Clinic cannot exist. The staff at Woman's New Life Clinic pray fervently for their donors and clients. Please pray for them as well.

Envelopes will remain in church throughout Lent for your convenience in supporting this important cause. The clinic is located within our parish boundaries at:
